Drill a hole **(30 to 32mm)** at the desired location for the tap installation.

Instructions

LEVER ACTION TAPWARE

CL15001, CAP0001, CL10005, CL10025PR

Important Note

Tapware must be installed to the requirements of AS/NZS 3500 by a qualified plumber.

- Please flush out new pipe work prior to connecting the new tapware.

Wall / Bench Handles Installation:

1. Unscrew the cover flange (3) from the main body of the two piece cartridge (1). Then, unscrew the adjustable lock nut from the Cartridge.

2. Screw the recessed body of the cartridge into the thread until it touches the seat.

3. Push back the cover flange (3) and screw the adjustable locknut until it reaches the wall to prevent the cartridge to be overtightened.

4. Tighten the handles (4) in the desired position with the provided Allen key and screws (7). Insert the washers (5 & 6) as shown in drawing.

6. Insert the plastic indicator (8) for hot, cold or Warm.

Important Information

We do not recommend dismantling the internal parts of the tap set.

***Use 350Kpa pressure reduction valve for extended life and better operation**

WASHING MACHINE TAP

CAP0045PR, CAP0050PR, CAP0052PR

1. Screw the valve body to the thread, Ensure the arrow in the valve body is in the direction of the water flow when connected to the water inlet and outlet.

2. Screw the handles in the desired position with the provided Allen key and screws. Insert the washers as shown in drawing.

3. Insert the plastic indicator for hot, cold or Warm..

4. Flush the two pipelines to clear any debris.
5. Connect the water hose for water inlet and outlet.

OUTLET INSTALLATION

1. Allow for a 25mm hole for the water outlet.
2. Remove the back nut and washers from the outlet.
3. Insert the 15mm thread through the basin/sink then fix the back nut and washers in place.
4. Connect the flexible hose fitting from the cistern top to the valve + from the valve to the gooseneck outlet..
5. Connect the water supply to operate.

***Regular service must be carried out on the product to avoid product failure.**

Warranty

GENTEC PRODUCT QUALITY WARRANTY

You have purchased a quality product from GENTEC Australia Pty Ltd ABN 581 552 50285). This product is covered by a 10 year replacement product warranty and a **24 month warranty over spare parts and labour.**

1. Warranty

1.1 This warranty is given by the Principal subject to the terms and conditions set out in this document.

1.2 The Principal warrants that the Goods are free from defects in materials and workmanship for the time period specified for the Goods in the Product Index. If Your Goods are found to be defective within that time, we will repair or replace the Goods.

1.3 This warranty does not cover accidental damage, wear and tear, consequential or incidental loss, or any damage caused by You, including if the Goods were not installed in accordance with the manufacturer's instructions, the PCA and AS/NZS3500.

1.4 You are required to service the Goods regularly. Failure to do so may cause this warranty to be voided.

2. Procedure

2.1. If you consider that the Goods are defective, you must cease use of the Goods immediately and provide notice to the Principal in writing as soon as is reasonably practicable after discovering the alleged defect.

2.2. The notice referred to in clause 2.1 must state the following:

2.2.1 the alleged defective Goods;

2.2.2 what the alleged defects are;

2.2.3 where the Goods are located;

2.2.4 when the Goods were purchased

2.2.5 the invoice number relating to the purchase of the Goods;

2.2.6 whether the main water to the unit is able to be turned off;

2.2.7 include pictures of the alleged defect; and a reasonable time.

2.2.8 completed credit card authorisation in the form set out in Schedule 2 to these conditions accepting liability in accordance with clause 2.6 if the product is not faulty.

2.3 The Principal will, on receipt of a notice in accordance with clause 2.2, issue a case number for the investigation of the alleged defective Goods.

2.4 In the event that the Goods are to be returned to the Principal You may bring or send them to one of our service locations or sites. If the cost of returning the goods to us is significant because of the nature of the failure or because of the size or height of the goods, the Principal will collect the goods from you within a reasonable time of You providing notice in accordance with clause 2.2. If the cost of returning the Goods to us is not significant, you are responsible for this cost (although, you are entitled to compensation for reasonably foreseeable costs incurred because of the defect, including the cost of returning the goods to us for repair, replacement or return).

2.5 In the event that the Principal or its agent are required to inspect the Goods at the location of their use or storage, You will, on reasonable notice, allow the Principal to inspect the allegedly defective Goods at the location of their use or storage.

2.6 You are responsible for Your expenses relating to a warranty claim, except as otherwise provided for in this document. If the Principal is required to attend Your site to inspect the Goods, and it is found that there is no defect or the defect has been caused by the circumstances listed in clause 1.3, You will be responsible for the Principal's reasonable costs of attending Your site. Where reasonably possible, we will notify you to give you the option of paying for a repair or replacement (however, we have no obligation to do so). We will also provide you with all relevant information associated with obtaining a repair or replacement of the good (including the costs involved and how

the repair or replacement will be performed).

2.7 If the Principal agrees that the Goods are defective, they will be replaced or repaired within a reasonable time.

2.8 You have a duty to mitigate your loss in relation to a warranty claim. You must notify the Principal of major failures of the Goods within 3 business days of you becoming aware of such major failure. If you fail to notify us within this timeframe, then we disclaim all liability for consequential or indirect loss as well as losses of revenue or profits.

2.9 For the avoidance of doubt, it is in the Principal's sole discretion as to whether or not the Goods are defective and therefore covered by the warranty provided in this document. Any invoices for services or replacement products will not be paid for by the Principal without prior written authorisation.

3. Mandatory Warranties

3.1 The Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the Goods fail to be of acceptable quality and the failure does not amount to a major failure.

4. Exclusion of Warranties and Limitation of Liability

4.1. Except as may be set out in this document and the Quote, the Principal make no express warranties or representations in relation to the Goods or their delivery.

4.2. To the full extent permitted by law, the Principal:

4.2.1 excludes all implied warranties and conditions under statute or general law as to merchantability, description, quality, suitability, fitness for purpose or otherwise;

4.2.2 is not liable for loss of profit, indirect, consequential or incidental loss, damage or injury in connection with the Goods;

4.2.3 is not liable for the labour costs associated with replacing the Goods;

4.2.4 is not be liable for any transport or freight costs in relation to any warranty claim and the repair or replacement of the Goods;

4.2.5 limits its liability in connection with the Goods (however arising, whether in tort, contract or otherwise) at its option and sole discretion to:

4.2.5.1 replace the Goods or the supply of its equivalent;

4.2.5.2 repair the Goods;

4.2.5.3 pay for the cost of replacing the Goods or acquiring their equivalent; or

4.2.5.4 pay for the cost of having the Goods repaired.

4.3 The warranties given by the Principal will not apply in the event of defects, failures or other matters regarding the goods where due to:

4.3.1 an act, default, omission or representation made by some other person, excluding Gentec or its manufacturer (for example, damage caused by the misuse or mistreatment of the good by the customer or someone else);

4.3.2 without limitation to (4.3.1) above, a failure to install the goods in accordance with any plumbing codes of practice prescribed by an Australian Federal or State Government body or organisation (including regulators), any plumbing codes of practice generally or any guidelines or instructions issued by the Principal in relation to the Goods; or

4.3.3 a cause independent of human control that occurs after the goods left our control.

4.4 Any of the warranties given by the Principal may be voided by failing to comply with the directions set out in the various user manuals or other instructional material provided to You by the Principal in relation to specific Goods.

4.5 However, nothing in this clause will prevent You from exercising any rights which You may have under the Competition and Consumer Act
